## ◉ IEEE FELLOW PROGRAM

The IEEE Board of Directors bestows the grade of IEEE Fellow to an IEEE Senior or IEEE Life Senior Member who has had an outstanding record of contributions in any of the IEEE fields of interest.

- The deadline for receipt of complete IEEE Fellow nominations including all supporting documents is **07 February.**

- At the time the nomination is submitted, the requirements listed herein must all be met.

*IEEE Fellow is a distinctive recognition for select IEEE members whose extraordinary accomplishments in any of the IEEE fields of interest are deemed fitting of this prestigious grade elevation.*

*Only one-tenth of one percent of the voting membership of the IEEE can become an IEEE Fellow, each year!*

# IEEE FELLOW PROGRAM

Since 1964, through the IEEE Fellow Program, IEEE has acknowledged those individuals who have contributed significantly to the advancement of engineering, science, technology, and society at large. Recognizing the achievements of its members is an integral part of the mission of the IEEE; "Advancing Technology for Humanity".
